EXPERIENCE

Prestige Group *Bengaluru, India*

Assistant Manager - SEO Oct 2025 – Present

- Managing SEO initiatives across multiple Prestige Group verticals, supporting websites with ~450K monthly traffic and focusing on organic visibility and lead generation.
- Responsible for end-to-end SEO strategy and execution for Prestige Group's Sublime websites across lifestyle, hospitality, luxury, and retail brands, including Prestige Clubs, Sublime House of Tea, Sublime Galleria & Art Commissioning, and UB City Bengaluru.
- Optimizing Google Business Profiles and local SEO across Bengaluru, Hyderabad, Delhi, Mumbai, and Chennai.
- Improving AI visibility across AEO and GEO platforms through content recommendations, technical optimization, performance monitoring, and SEO best practices.

Viva Money Solutions Private Limited *Bengaluru, India*

Senior Executive - Digital Marketing June 2023 – Sept 2025

- Led the complete SEO and ASO strategy for the website and app, managing a team of two, resulting in 30K+ monthly website visits and over 1 million lifetime installs across Android and iOS platforms.
- Planned and managed website content strategy, collaborating with copy and tech teams to deliver SEO-optimized content and resolve technical issues.
- Implemented an effective Off-Page SEO strategy that helped the website achieve a DA of 25 (SEMrush) & 16 (Moz).
- Managed relationships with external agencies, ensuring effective strategy development and execution for paid marketing campaigns.
- Strategized and executed marketing automation campaigns (WhatsApp, SMS, and IVR) for new user acquisition, which contributed 30% of overall new user acquisitions.
- Increased conversion rates among inactive users from 5% to 14% within two months by targeting precise audience segments across key channels.

Hoichoi Technologies Private Limited *Kolkata, India*

Senior Executive - Digital Marketing August 2019 – May 2023

- Led SEO for nearly 4 years, driving 650K+ monthly organic visits through effective On-Page and Off-Page strategies.
- Developed and executed ASO strategies across all platforms and was accountable for managing store presence on - Android, iOS, Amazon Fire TV, Roku, and Samsung Tizen.
- Managed and optimized comprehensive product offers and discount mechanisms across different channels, reducing customer churn and streamlining revenue.
- Executed omnichannel communication campaigns (Push Notifications, Emails, Mobile In-App, and App Inbox) as part of tailored customer journeys across segments for branding and promotional initiatives.
- Successfully implemented Google’s media action catalogue, resulting in 1 M+ monthly impressions.

MD Computers Private Limited *Kolkata, India*
